פרשת בראשית
שבת מברכים לחודש מר חשוון

Groups will start at 9:30 upstairs, with the pre-school meeting in their classroom. The Junior congregation will meet in the cafeteria, it is for children in grades 1-4. We will learn how to daven, and understand what we are saying. Then we will review the Parsha, split into groups based on the grades of the children and play Parsha games and practice and perform a skit based on a midah from the Parsha. We will then have Kiddush and a story/raffle. Groups end at 11:00.

Teen Minyan Iy'h We will be starting the minyan Parshat Noach. We will begin davening at 9:00 sharp! in the upstairs Beis Hamedrash. The minyan is for children grades 5-12. Every child **must register** with Rabbi Lieberman that they plan on attending. Each child will learn how to daven for the amud and participate in the laining of the Torah. Under bar mitzva will rotate davening Pesukei D'zimra, and Gelila. Over Bar Mitzva will rotate davening Shacharit, and Musaf, Gabbai, aliyah l'Torah, and Hagba. We will encourage a rotation of Bal Koreh's for each aliyah every week. Thank You to the Zinn family for sponsoring our inaugural Kiddush for Parshat Noach.
